Stated for:

Mr. ROGERS of Michigan. Mr. Speaker, on the legislative day of March 15, 2005, the House had a procedural vote on H.R. 1268, the FY 2005 Emergency Supplemental Appropriations bill. On House rollcall vote No. 69, I was unavoidably detained. Had I been present, I would have voted "aye."

The SPEAKER pro tempore (Mr. SHIMKUS). The question is on the amendment offered by the gentleman from Oklahoma (Mr. COLE).

The amendment was agreed to.

The SPEAKER pro tempore. The question is the resolution, as amended. The resolution, as amended, was

agreed to.

the table.

PRIVILEGES OF THE HOUSE—INTEGRITY OF PROCEEDINGS AS PRESCRIBED BY THE CONSTITUTION

Ms. PELOSI. Mr. Speaker, pursuant to rule IX, I rise to a question of the privileges of the House, offer a privileged resolution that I noticed, and ask for its immediate consideration.

The SPEAKER pro tempore. The Clerk will report the resolution.

The Clerk read the resolution, as follows:

H. RES. 153

Whereas, the Constitution of the United States authorizes the House of Representatives to "determine the Rules of its Proceedings, punish its Members for disorderly Behaviour, and, with the Concurrence of two thirds, expel a Member";

Whereas, in 1968, in compliance with this authority and to uphold its integrity and ensure that Members act in a manner that reflects credit on the House of Representatives, the Committee on Standards of Official Conduct was established:

Whereas, the ethics procedures in effect during the 108th Congress, and in the three preceding Congresses, were enacted in 1997 in a bipartisan manner by an overwhelming vote of the House of Representatives upon the bipartisan recommendation of the tenmember Ethics Reform Task Force, which conducted a thorough and lengthy review of the entire ethics process; Whereas, in the 109th Congress, for the

whereas, in the 109th Congress, for the first time in the history of the House of Representatives, decisions affecting the ethics process have been made on a partisan basis without consulting the Democratic Members of the Committee or of the House;

Whereas, the Chairman of the Committee, and two of his Republican colleagues, were

dismissed from the Committee; Whereas, in a statement to the press, the departing Chairman of the Committee stated "tlhere is a bad perception out there that there was a purge in the Committee and that people were put in that would protect our side of the aisle better than I did," and a replaced Republican Member, also in a statement to the press, referring to his dismissal from the Committee, noted his belief that "the decision was a direct result of our work in the last session:"

Whereas, the newly appointed Chairman of the Committee improperly and unilaterally fired non-partisan Committee staff who assisted in the ethics work in the last session:

Whereas, these actions have subjected the Committee to public ridicule, produced contempt for the ethics process, created the public perception that their purpose was to protect a Member of the House, and weakened the ability of the Committee to adequately obtain information and properly conduct its investigative duties, all of which has brought discredit to the House; now be it

Resolved, that the Speaker shall appoint a bi-partisan task force with equal representation of the majority and minority parties to make recommendations to restore public confidence in the ethics process; and be it further

Resolved, that the task force report its findings and recommendations to the House of Representatives no later than May 2, 2005.

□ 1145

The SPEAKER pro tempore (Mr. SHIMKUS). The Chair has reviewed the resolution and finds that it does present a question of the privileges of the House.

MOTION TO TABLE OFFERED BY MR. LEWIS OF CALIFORNIA

Mr. LEWIS of California. Mr. Speaker, it is with great reluctance, not only because we are working with the minority leader of the House, but because the gentlewoman is from California, that I must move to table the resolution.

The SPEAKER pro tempore. The question is on the motion to lay on the table offered by the gentleman from California (Mr. Lewis).

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Ms. PELOSI. Mr. Speaker, I demand a recorded vote.

EMERGENCY SUPPLEMENTAL APPROPRIATIONS ACT FOR DEFENSE, THE GLOBAL WAR ON TERROR, AND TSUNAMI RELIEF, 2005

The SPEAKER pro tempore (Mr. FOLEY). Pursuant to House Resolution 151 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the consideration of the bill, H.R. 1268.

\square 1217

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union for the consideration of the bill (H.R. 1268) making emergency supplemental appropriations for the fiscal year ending September 30, 2005, and for other purposes, with Mr. THORNBERRY in the chair.

The Clerk read the title of the bill.

The CHAIRMAN. Pursuant to the rule, the bill is considered as having been read the first time.

Under the rule, the gentleman from California (Mr. Lewis) and the gentleman from Wisconsin (Mr. OBEY) each will control 30 minutes.

The Chair recognizes the gentleman from California (Mr. LEWIS).

Mr. LEWIS of California. Mr. Chairman, I yield myself such time as I may consume.

Mr. Chairman, it is with great pride that I bring before the House H.R. 1268, a bill making emergency supplemental appropriations for fiscal year 2005. This is my first appropriations measure as the new Appropriations Committee chairman. I am especially proud of the extraordinary effort put forth by the committee's members and staff to report a bill that will better permit our troops to prosecute the war on terrorism and will do so with a price tag less than that requested by the President.

Mr. Chairman, I would like to have the House pay special attention to three of my colleagues who have come back from the private sector to help serve this committee. Frank Cushing is my staff director, and David LesStrang and Jeff Shockey are my deputy staff directors for the Committee. I really appreciate their willingness to make great sacrifice to come back.

Six of the committee's 10 subcommittees participated in the development of this measure which provides \$81.27 billion in urgent and emergency spending. The lion's share of that amount, some \$76.8 billion, is for defense-related expenditures. This funding represents an increase for defense needs of \$1.8 billion above the President's request, which I hasten to note is entirely for enhanced support for deployed, soon-to-be deployed, or returning troops in order to assist in force protection and to increase the survivability of the troops in the field.

To provide these important resources for our troops, we reduced other, nonessential DOD requests by some \$600
